

World Cancer Day

Cancer awareness week

Department of Obstetrics and Gynaecology, under the aegis of AOGD, has organized Cancer Awareness week from 11th Feb. to 15 Feb 2019.

A Screening camp was organized from 11th Feb. to 14th Feb. in Gynae OPD where PAP smear of all women was done for screening and early detection of cervical cancer

Breast examination was also performed for all those who attended the camp.

A public awareness programme was organized in Gynae OPD on 12th and 13th Feb. Interactive talk was given on female genital tract cancer and breast cancer. Self breast examination was also demonstrated.

CME on Screening for gynecological malignancies was organized in which various screening modalities and recent advances for gynaecological malignancies were discussed in details and program was attended well.
