

Continuing Medical Education

AOGD Safdarjung Hospital held its second virtual clinical monthly meeting on 25th June 2021 at AIIMS New Delhi. The Obstetrics and Gynecology department of AIIMS, New Delhi organized the meeting which had some excellent and interesting case presentations. The meeting started with an inaugural speech by President AOGD Dr. Achla Batra. This followed by secretary report by Dr. Monika Gupta. She precisely highlighted the activities and informative webinars held so far and also the forthcoming events of AOGD.

This was followed by a welcome address by Dr Neerja Bhatla, HOD Obstetrics and Gynecology AIIMS. There were three exemplary rare case presentations

1. Journey of Procreation in Cloacal Exostrophy: Defying all Odds - Dr. Garima Khadgawat and team
2. The FLIGHTS of Fancy: A trail of the Golden Blood from the Land of Rising Sun- Dr Aparna Sharma and team
3. A case of ITP gone rogue in pregnancy: Challenge embraced – Dr. Seema Singhal and team

The webinar saw zealous participation of participants from all over India and across the world.

A quiz based on the articles published in the June monthly bulletin was conducted at the end of the AOGD Monthly Clinical Meeting by the AOGD editorial team. The first three winners were Dr Priyanka Singh from Mumbai, Dr Yukti Bhardawaj from New Delhi, and Dr. Shweta Singh from Ghaziabad. The winners would be presented with certificates and exciting prizes.

It was a wonderful experience with a great academic feast. The photographs have been uploaded in the Home page. The case summaries will be duly uploaded as and when received.
