

Continuing Medical Education

A webinar on 'MTP ACT OLD & NEW' WAS SUCCESSFULLY ORGANISED BY AOGD and Delhi Gynae forum-NW on 27th May 2021. It was organised for a second time on popular demand. Although the topic was same but the panelists were eminent Gynaecologists from varied Government and Private sector. They deliberated and arrived at a common consensus for very challenging case scenarios on MTP. A very informative and concise talk was delivered by non other than the well known expert in the field of Medico legal aspects of OOBGYN Dr MC Patel. It was attended by 130 delegates and majority stayed till the end with many questions and expert answers from the Faculty.
