

Continuing Medical Education

Webinar on 'Optimizing outcome of LSCS' was successfully held on 8/6/21 under aegis of FOGSI & AOGD. It started with the blessings of stalwarts Dr Kamal Buckshee, Dr Sudha Prasad and Dr Pratima Mittal. Dr Achla Batra, President AOGD, delivered introductory remarks. The three talks delivered on very relevant topics of Intricacies of LSCS by Dr Rekha, Postoperative care by Dr Jyotsna and Consent by Dr Patel were crisp and evidence-based with many practical tips. It was followed by a panel discussion led by Dr Sunita Malik and Dr Pikee with many interesting case scenarios of challenges faced during Cesarean section. It was highly interactive with many delegates posing questions in the Chat box and were promptly answered by the concerned faculty. The various experts who were well-known figures in their area of Speciality came together as panelists and Chairpersons to share their knowledge and key messages for the delegates.
